## **Cybercom enters into frame agreement with SEB**

**Cybercom has entered into a frame agreement with Skandinaviska Enskilda Banken regarding IT consultancy services. The agreement applies until 31 December 2005.**

Under the agreement Cybercom becomes one of nine suppliers of IT consultancy services.

- We have co-operated with Cybercom previously. We know that they offer quality IT consultancy services and have many years of experience in our industry, which has had a major bearing in our selection process, says Göran Reinholdsson, Purchasing Manager at SEB Sweden.
- SEB is a strategically important customer for us, says Mats Alders, CEO of Cybercom Group. We view the confidence which has been expressed in us as confirmation that our competence within financial services is valued. Together with the international experience we possess through services provided to financial customers around Europe, we offer a service which is appreciated.
