Cybercom signs framework agreement with Försäkringskassan

Cybercom signed a framework agreement with Försäkringskassan, the Swedish social insurance office, to deliver IT consultancy services. The agreement is valid for 2009 and 2010.

Cybercom is one of the preferred suppliers in this new frame agreement. The agreement covers development and administration of Försäkringskassan's systems.

"This is a valuable contract for us," says Johan Stenborg, account manager at Cybercom. "There's significant potential in our partnership with Försäkringskassan."

About Cybercom

The Cybercom Group is a high-tech consultancy that offers global sourcing for end-to-end solutions. The Group established itself as a world-class supplier in these segments: security, portal solutions, mobile services, embedded systems and telecom management. Thanks to its extensive industry and operations experience, Cybercom can offer strategic and technological expertise to these markets: telecom, industry, media, public sector, retail, and banking and financial services. The Group employs 2000 persons and runs projects worldwide. Cybercom has 24 offices in 10 countries. Since 1999, Cybercom's share has been quoted on the OMX Nordic Exchange. The company was launched in 1995. Find out more at: www.cybercomgroup.com.
