Press release

Cybercom annual report and first sustainability report for 2010 published

Cybercom Group announces publication of its 2010 annual report at its web www.cybercom.com/2010/en. For the first time Cybercom also publishes a sustainability report according to GRI, Global Reporting Initiative.

Cybercom's 2010 annual report is exclusively published on the Internet, www.cybercom.com/2010/en and www.cybercom.se/2010/sv, for better usability and availability. An interview with CEO Patrik Boman can be viewed in connection to the annual report.

Cybercom is one of the few IT-consultants in the Nordic countries to publish its first sustainability report on www.cybercom.se/gri2011sv and on www.cybercom.com/gri2011en (published on April 4th).

The sustainability report is made according to the GRI, guidelines for voluntary reporting of sustainability information, the most established guidelines among the companies that report on the Stockholm Stock Exchange.
